JET PARTS ENGINEERING ANNOUNCES THREE NEW PROMOTIONS

Seattle, WA – Jet Parts Engineering (JPE) is pleased to announce three new promotions within the company. **John Benschmidt**, who started with JPE in 2008 and has held leadership roles in engineering, sales, marketing, and business development, has been promoted to President of PMA, where he will be responsible for all PMA business related to the Jet Parts Engineering family of companies. **Alan Voeller** will be moving into the VP Sales and Business Development position after having spent the past 8 years working closely with the JPE customer base and developing strategic systems and structure within various teams. **Andrew Bonefas**, having long-time aviation aftermarket sales experience and leading regional sales teams, has been promoted to Senior Director of Sales for the Americas.

About Jet Parts Engineering

As a leader in the development of FAA-PMA parts and engineered repairs, Jet Parts Engineering is devoted to providing spare part solutions to our global network of airline and MRO partners. We specialize in over 25 ATA chapters across most aircraft systems with capabilities to develop a wide range of part-types. Our ecommerce portal gives immediate access to pricing, availability, technical information, and the ease of order placement and tracking. Jet Parts Engineering's staff is comprised of some of the best and brightest in the industry – our people are the best part. Visit www.jetpartsengineering.com to learn more.
