JET PARTS ENGINEERING WELCOMES NEW TEAM MEMBER

Seattle, WA – Jet Parts Engineering (JPE) is excited to announce the addition of Maybis Merino as Regional Sales Manager for the Latin America region to our growing team.

Maybis is an experienced salesperson in the aviation community, working in roles with increasing responsibility over her career. She has deep aviation knowledge of airframe and component parts, PMA parts, and has been successful growing airline and MRO business in Florida, Latin America, and the Caribbean. Maybis has her Master's degree in International Business and Finance from Florida International University and is based in Miami, FL. We're excited to welcome Maybis to our team and know our Latin American partners will appreciate her attentiveness and ability to help solve their part availability and cost reduction needs!

About Jet Parts Engineering

As a leader in the development of FAA-PMA parts and engineered repairs, Jet Parts Engineering is devoted to providing spare part solutions to our global network of airline and MRO partners. We specialize in over 25 ATA chapters across most aircraft systems with capabilities to develop a wide range of part-types. Our ecommerce portal gives immediate access to pricing, availability, technical information, and the ease of order placement and tracking. Jet Parts Engineering's staff is comprised of some of the best and brightest in the industry – our people are the best part. Visit www.jetpartsengineering.com to learn more.
