PRESS RELEASE – April 30, 2026

## JPE Announces FAA Approval of 11 New PMA Parts

Seattle, WA – Jet Parts Engineering (JPE) is excited to announce the addition of 11 newly approved PMA parts to its expanding portfolio, reinforcing its commitment to delivering reliable, cost-effective alternatives for airline and MRO partners worldwide.

This latest rollout includes a diverse selection of components supporting major aircraft platforms including Boeing 737NG, and Airbus 321. Newly approved parts include rings, links, seals, plugs, and other high-demand components designed to meet the highest standards of performance and reliability.

These newly approved PMA parts are available directly through JPE’s ecommerce website and are listed below, where you will also be able to explore the many other offerings JPE, and its companies, provides.
