PRESS RELEASE – Feb 25, 2026

JPE Announces FAA Approval of 3 New PMA Parts this month

Seattle, WA – Jet Parts Engineering (JPE) is excited to announce the addition of 3 newly approved PMA parts to its expanding portfolio, reinforcing its commitment to delivering reliable, cost-effective alternatives for airline and MRO partners worldwide.

This latest rollout includes a diverse selection of components supporting major aircraft platforms including Boeing 737NG, and CF34-8. Newly approved parts include bushings, packings, spacers, seals, washers, and other high-demand components designed to meet the highest standards of performance and reliability.

These newly approved PMA parts are available directly through JPE’s ecommerce website and are listed below, where you will also be able to explore the many other offerings JPE, and its companies, provides.

NEW PMA PARTS:

PN	OEM PN	Description	Eligibility
GS101046JP	GS101046	Gas Spring	737NG
4117T69P02JP	4117T69P02	Seal Assembly	CF34-8
3163962JP-11	3163962-11	Lever Assembly	737NG

To view pricing, PMA supplements, order tracking, NHA information, and more, visit JPE’s ecommerce website at www.jetpartsengineering.com. For questions about the latest rollout of PMA parts, contact us at +1 206-281-0963 or sales@jetpartsengineering.com

About Jet Parts Engineering

A recognized leader in the development of PMA parts, DER repairs and MRO services for commercial aircraft, Jet Parts Engineering is devoted to providing a better spare parts solution to our worldwide network of airline and MRO partners. We help our

customers battle the increasing cost of component maintenance with our lower spares pricing and greatly reduced lead times. Our ecommerce portal provides customers immediate access to price, availability, technical information, and the ease of order placement and tracking. Jet Parts Engineering's staff is comprised of some of the best and brightest in the industry – our people are the best part. Visit www.jetpartsengineering.com to learn more.
