PRESS RELEASE – Jan 28, 2026

## **JPE Announces FAA Approval of 13 New PMA Parts this month**

---

Seattle, WA – Jet Parts Engineering (JPE) is excited to announce the addition of 13 newly approved PMA parts to its expanding portfolio, reinforcing its commitment to delivering reliable, cost-effective alternatives for airline and MRO partners worldwide.

This latest rollout includes a diverse selection of components supporting major aircraft platforms including Airbus A320, Boeing 737NG, 737MAX 747 and additional commercial models. Newly approved parts include bushings, packings, spacers, seals, washers, and other high-demand components designed to meet the highest standards of performance and reliability.

These newly approved PMA parts are available directly through JPE's ecommerce website and are listed below, where you will also be able to explore the many other offerings JPE, and its companies, provides.
