PRESS RELEASE – May 27, 2026

## JPE Announces FAA Approval of 13 New PMA Parts and 3 New DER Repairs

Seattle, WA – Jet Parts Engineering (JPE) is excited to announce the addition of 13 newly approved PMA parts and 3 newly approved DER repairs to its expanding portfolio, reinforcing its commitment to delivering reliable, cost-effective alternatives for airline and MRO partners worldwide.

This latest rollout includes a diverse selection of components supporting major aircraft platforms including Airbus 321, PW2000, PW1100G-JM, and GEnx. Newly approved parts include packings, inserts, impellers, and other high-demand components designed to meet the highest standards of performance and reliability.

These newly approved PMA parts are available directly through JPE’s ecommerce website and are listed below, where you will also be able to explore the many other offerings JPE, and its companies, provides.
